

This isometric view shows the front and top of the cabinet. The front panel features a large, rectangular area with horizontal slats, likely for ventilation or aesthetic design. The top surface is flat and contains a small, square USB port. The internal structure is visible, showing a central compartment and two side compartments, all separated by thin dividers. The cabinet is shown from a perspective that highlights its depth and the placement of the USB port.

X=99.4cm
Y=55cm
Z=49.5cm
